

## **Statement By Honiton Town Council and Chetna Jones**

This is a joint news release by Honiton Town Council and Chetna Jones, Honiton Town Clerk, as agreed on 16 October 2017.

Mrs Jones has been absent from the Council for an extended period and the Council and Mrs Jones have recently discussed the possibilities of a return to work. During these discussions it became clear that it would be in the best interests both of Mrs Jones and of the Council for Mrs Jones to relinquish her position and seek a fresh challenge and she stepped down from her position on 20<sup>th</sup> October

The Council and Mrs Jones now consider the matter closed and will be making no further comment.

The Council wishes Mrs Jones well for the future and thanks her for the positive contributions she has made to the Town Council in recent years.
