# It's easy to recycle your food waste

## Keep it clean and tidy

**Bag it** Reuse any plastic bag or newspaper to line your food caddy

**Use me inside**  
It's handy to use your indoor caddy in your kitchen

**Use me outside**  
Put your food waste in me ready for collection and don't forget to shut my lid

## What food waste can I recycle?

- ✓ Fruit and vegetable peelings
- ✓ Cooked food
- ✓ Uncooked food
- ✓ Meat/fish (including bones)
- ✓ Plate scrapings
- ✓ Cat/dog food
- ✓ Tea bags/coffee grounds

## Keep it fresh

Put food waste into your food caddies, not your wheeled bin.

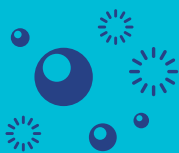

Food waste from your food caddy is collected every week, but if it's in your bin it could be sitting there for three weeks.

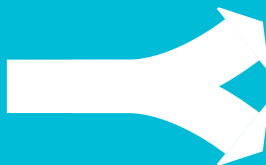

## Where does my food waste go?

We collect your food waste from your kerbside

It goes to an anaerobic digestion plant in the South West

Makes renewable power

Makes fertiliser for South West farms

We provide a handy  
kerbside collection  
service for green waste  
every two weeks

## Seasonal changes if you already have a green waste collection

Your collection will be suspended between  
**Mon 23 Dec and Fri 17 Jan**. This  
means there will be a **six week gap**  
between your collections.

Check your collection dates at

# Seasonal recycling

- ✓ **Plain wrapping paper or plain Christmas cards:** please place these in your green recycling box.
- ✗ **No wrapping paper or Christmas cards with glitter or foil:** sorry, we can't accept this for recycling yet. Please place in your wheeled bin.

## Christmas tree recycling

Put in your green waste bin (no branches thicker than 100mm) or take here. No artificial trees or other waste please.
