Honiton's Queen Platinum Jubilee

Honiton began its preparations for the Queens Platinum Jubilee in October 2021 when Honiton Town Council created the Working Group and found some likeminded residents to create an event to remember.

The Working Group have been meeting in the Yellow Deli and have finalised some fantastic events for the Honiton Community to enjoy.

We have had an Oak tree planted in the Glen and have also had a special commission of Honiton Lace, made by Mrs Pat Perryman, which is to be presented to the Queen.

The children of Honiton Community College, Littleton School and Honiton Primary School are creating a tiled decoration which will be displayed in the town.
