## TALK OF THE TOWN

THE NEWSLETTER OF HONITON TOWN COUNCIL

NOVEMBER 2012

### MESSAGE FROM THE MAYOR

It's that time of the year again when we find ourselves rushing to and fro queuing in shops, writing out Christmas cards, grumbling about the same old Christmas hits on the radio, helping our children count down how many more sleeps to go (and secretly sharing in their excitement). But in all the hustle and bustle of the next few weeks can I ask that you spare a thought for the members of our community that might be spending this Christmas time on their own, particularly the elderly and vulnerable. Simple things like a Christmas card, a few minutes spent on a quick chat over a mince pie can mean a lot to someone on their own at Christmas time.

There is a lot going on in Honiton in the run up to the festive season as we show below - simply look out for announcements in the local press and on community noticeboards and lastly may I wish you and your families a very merry Christmas and a happy and healthy new year.

*Cllr David Foster, Mayor of Honiton*

## TIME TO APPLY FOR A TOWN COUNCIL GRANT...

Every year Honiton Town Council awards a series of funding grants to organisations working for or helping the people of Honiton. Application forms are now available for grants payable in April 2013 either from the Town Council office in New Street or downloadable from the Council website - [www.honiton.gov.uk](http://www.honiton.gov.uk) together with the policy document setting out the criteria.

Applications must be returned by 31st December for consideration by the Council at its Finance meeting in January.

### ROUNDBALL WOOD

Autumn is the time for the Roundball Wood's Wardens to renew their work in the woods coppicing hazel and holly and creating new raised walkways. Unsurprising, considering our recent weather, the woods are unusually wet and the wardens and volunteer helpers have started building new raised walkways through some of the wettest areas. A new initiative has seen the brush from the coppiced trees used as 'dead hedging'. This technique, which you can also see being used in Coombe Woods, uses the smaller branches from the coppiced trees to create hedges to encourage invertebrates and help some of the well worn areas regenerate.

The Roundball team meets once a month on a Saturday morning. If you would like to help out in what is a muddy but enjoyable morning please contact the Town Council on 01404 42957 or email [deputyclerk@honiton.gov.uk](mailto:deputyclerk@honiton.gov.uk). A walk over the top of Roundball is good at any time of the year but November is particularly good for fungi and especially wax caps. Look out for red and yellow fungi on your next walk.

### CONTRACTOR SHORTLY TO BE APPOINTED FOR BEEHIVE

Following a rigorous selection process, the Town Council is currently awaiting tender applications for the building of the Beehive Community Complex, which is due to start at the end of January next year. All potential contractors are based within 40 miles of Honiton and the process has included the potential of using locally-based sub-contractors and benefits to the local economy and community. Details of the successful contractor will be published in the new year.

During the closure of Dowell Street car park from the end of January EDDC is making provision for all coaches, minibuses, cars and resident parking. Details of this will be publicised shortly.

## PRECEPT SET FOR NEXT YEAR

Honiton Town Council has agreed the level of the precept (part of the Council Tax that comes to the Town Council) for next year. This will be £176,143 which is equivalent to approximately £42.57 per Band D household. This represents a small increase on last year of £2 per year and is the result of the Town Council needing to make changes to its staffing arrangements, particularly with regard to the introduction of pension provision in line with recent legislation plus responsibility being passed to the Town Council from other authorities with regard to road closure marshalling and emergency planning.

## NEW CLERK APPOINTED

Following the announcement by Mrs Lyn Hargood, the present Town Clerk, of her retirement in early 2013, Honiton Town Council has appointed Mrs Chetna Jones to be its new Clerk with effect from 1 January 2013.

Chetna is currently the Clerk and Responsible Financial Officer for Branscombe Parish Council as well as being the Senior Branch Advisor at the Honiton branch of Britannia.

Commenting on the appointment, the Mayor Cllr David Foster said : “ We are very much looking forward to working with Chetna who brings a great deal of experience not only in terms of clerking and financial management but also in respect of a range of business knowledge. We have been very fortunate in having a knowledgeable and efficient Town Clerk in Lyn for the past five years and believe that Chetna can build on this experience as the Town Council moves forward.”

The role of the Town Clerk is very varied and provides the main focus of officer support for the Town Council. Clerks are qualified through the Certificate of Local Council Administration which ensures their knowledge of Local Government structure and practices, advising and servicing of committees, representation of the Council to the public, financial management, staff management and organisational skills.

Lyn joined the Council as its Town Clerk in February 2008 having previously run a number of private sector and charitable companies. During the past five years she has overseen many changes affecting the Town Council and has been particularly instrumental in developing the business model and the fundraising strategy for the new Beehive Community Complex, which is due to be started in January 2013.
