**Patching works
Turks Head Lane, Honiton**

Friday 14th November 2025

Devon Highways will be carrying out patching works on Turks Head Lane, Honiton, from Monday 17th – Wednesday 19th of November 2025. We will be working at the junction with the road leading to the Premier Inn Hotel. Repair works are necessary to improve the quality of the road. Our working hours are 21.00 until early in the morning. Outside our working hours, the road will be accessible.

The map below shows the work area in **green**. Please note that the road workers require a safe working area, so the area they occupy will be larger. Access will be possible via a multi way traffic lights system.

Access queries should be directed to our Contractor or an operative on site who will be glad to assist.

Any changes to the start date or duration will be shown on advisory signs on site. We will do our best to complete the work quickly and minimise disruption. Your co-operation and understanding are greatly appreciated.

Information on current and planned roadworks in your area can be found on the Causeway one.network: <https://one.network/?GB146668578>. Should you have any questions please contact us and we will do our best to try to help.

Kind regards,

Julia
Highway Liaison Officer
Devon County Council
