25/59/SC NALC Quality Award Scheme

Committee Noted suggested time for application for Silver level award in January 2026. Committee discussed the lifespan of the existing Foundation level award. Council representation on Outside Bodies demonstrates 2-way communication. Adding Cllr biographies is straightforward; Cllr RS will provide an example. Action Planning should be derived from planned "away day". Demonstrating 2-way communication is more difficult and 12 months may be needed. TC to email all Cllrs asking for biographies and to highlight importance of learning.
